

Maidstone's 3rd Team got back to winning ways in style with an emphatic 57-5 victory over Tunbridge Wells 3's at the mote. With the forwards tying up defenders all over the pitch the backs were given some space to ply their trade and with powerful carving runs coming left, right and centre something had to give. Credit must go to T Wells who although they could only muster a team of 14 stuck at it until the bitter end and never gave up.

Special mention to prop Will Fox who on his first game for the 3's also scored a try and to Jack Hart for coming good with the hat trick he promised.
